

GLIDE THROUGH CITY LIFE

**With premium engineering and standout efficiency,
the PCX takes urban commuting further.**

Scooters tick all the boxes when it comes to getting around. Easy to park and breeze through traffic. The Honda PCX takes it up a notch. They're affordable and get excellent fuel mileage thanks to its clever four-valve engine, plus the smooth and reliable ride Honda is known for. Whether you're commuting through the city or heading out for a weekend cruise, the PCX isn't just another scooter – it's a smarter, more refined way to ride.

Smart Power (eSP) Engine with Idle stop

The enhanced Smart Power+ engine delivers quick acceleration to keep you ahead of traffic and an excellent top speed for when you're on the freeway.

30.4L Under Seat Storage

Flip the seat open to access a spacious, lockable and weather-resistant compartment—perfect for a full-face helmet or an evening's worth of groceries.

Convenience

The Honda Smart Key system lets the rider keep the key in their pocket, eliminating the need to access it for the ignition, fuel cap, or seat. For added convenience a handy USB-C socket is located in the glovebox to charge up your device.

Sleek and Contemporary Design

Turn heads on the street with a striking design that blends bold aesthetics with refined details.
