

RETRO DONE RIGHT

Welcome to the Honda GB350, where every ride pulses with character.

This single-cylinder motorcycle effortlessly blends retro styling, Japanese precision, and affordability. Its grunty 350cc engine delivers a ride that's both refined and exhilarating, balancing classic charm with modern performance.

Crafted with premium materials, the GB350 is a testament to Honda's quality and attention to detail. Smooth throttle response adds finesse to every twist of the throttle, making each ride as rewarding as the destination. A GB350C variant is available with added control and distinct style, aesthetic features and unique muffler design.

GB350

FIND A DEALER

The GB350C variant adds soul to every ride with the powerful bass tone from the unique muffler. The exclusive gunmetal black and vintage aesthetics including the retro seat, fuel tank and front fork covers create a classic style.

Responsive and Efficient

A lightweight yet powerful 348cc air-cooled OHC single-cylinder engine paired with a 15L fuel tank for long-lasting performance.

LED Lighting

A retro-inspired round headlight enhances visibility while adding classic style.

Retro Aesthetics

Classic café racer design with brown leather-look seating, a vintage-style muffler, and chrome bodywork accents.

Refined Handling

An ergonomic upright riding position, Honda's assist/slipper clutch, and ABS brakes work together for smooth controlled handling.
