

Designed for Joy

HONDA ZR-V

Make Joy your own.

The Honda ZR-V is a mid-sized SUV that stands out from the rest. Designed with sporty drivability in mind, it features a low sedan-like driving position and a choice of either a turbocharged petrol powertrain or Honda's e:HEV self-charging hybrid system that packs more fun into every drive.

The Honda ZR-V is striking and sporty on the outside, contemporary and sophisticated on the inside, and features enhanced safety with Honda SENSING+ as well as a host of intuitive tech, like Honda Connect Telematics. The Honda ZR-V is here to fit into your life - whoever you are. Make Joy your own in the brand-new Honda ZR-V.

Style, meet Substance

From sleek headlights and a bold vertical grille to its clever use of space, every detail of the Honda ZR-V has been carefully crafted for a refined and sophisticated experience.

Feel the Joy with contemporary design.

Distinctive Alloys

Add a little more joy to your drive with bold alloys that pack some serious road presence.

Acoustic Windscreen

Blocks out ambient noise so you can car-a-oke your heart out.

Hands-Free Power Tailgate with Walk Away Close

Hands full of goodies? No worries. Activate the kick sensor to open the tailgate and walk away with confidence knowing that your car will be locked and secure. Available on VTi L+ and above.

Heated Front Seats

Heated seats to beat away the winter blues. Available on VTi L+ and above.

Joy in performance with unwavering power and efficiency.

More than meets the eye

The Honda ZR-V's joyful SUV exterior might not give away the unwavering power and efficiency that it'll bring to any drive. But don't be fooled.

1.5L Turbo Engine

Turbocharging your joy with 131kW of power and 240Nm of torque in the VTi grades.

Continuously Variable Transmission

Provides a silky smooth, seamless delivery of power and maximises fuel efficiency.

Drive mode select

Three different driving modes (ECON, Normal & Sport) for whatever driving mood you're in. Available on VTi LX and e:HEV LX only.

The latest evolution of self-charging HYBRID

e:HEV

Fuel Consumption

Go further for less. Our e:HEV LX is rated for a combined fuel economy of just 5.0L/100km.

4-Cylinder Active Hybrid

Unlike traditional mild-hybrids, the e:HEV LX's engine aids the electric motor – not the other way around. The result? A more responsive and efficient driving experience.

All Torque

With an incredible 315Nm of torque, the e:HEV LX delivers an impressive driving experience.

Reduced Emissions

Less is more with the e:HEV LX, with fewer pollutants~ and just 115.2g/kg# in emissions.

Wireless Charger~

Simply set it down to get charged up.
No cables required. Available on VTi LX
and e:HEV LX only.

Intuitive tech for every type of driver.

Bose® premium sound system (12 speakers inc. subwoofer)±

With a dedicated subwoofer and Dynamic Speed Compensation, the BOSE Sound system delivers an immersive listening experience in every driving condition. Available on VTi LX and e:HEV LX only.

Android Auto™# and Wireless Apple CarPlay®‡

Stay connected on the go with music, maps and more. They're the gold standard in seamless connectivity.

Dual Zone Climate Control

One dedicated driver climate zone, and another for passengers, means less temperature tug-of-war and more peaceful trips.

A few extra touches...

Multi-Angle Reversing Camera (3 modes)

Get a better view of what's behind you with normal, top-down and wide angles.

Alps Alpine Satellite Navigation

Handy for getting out of sticky situations. Like being outside of mobile range. Available on the VTi LX & e:HEV LX.

Honda SENSING⁺

Honda
SENSING

Lane Keeping Assist System (LKAS)

Provides steering input to help keep the vehicle in the middle of a detected lane and provides audible and visual alerts if the vehicle is detected drifting out of its lane.

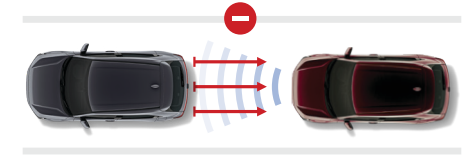

Lane Departure Warning (LDW)

When the vehicle enters the warning area, LDW alerts you with slight steering wheel vibration as well as a warning display.

Forward Collision Warning (FCW)

Alerts you when it detects the possibility of your vehicle colliding with the vehicle in front.

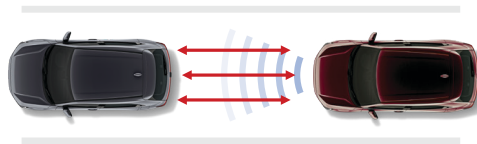

Collision Mitigation Braking System (CMBS)

CMBS will alert you when a potential front collision is detected and will reduce your vehicle speed, to minimise collision severity when a collision is unavoidable.

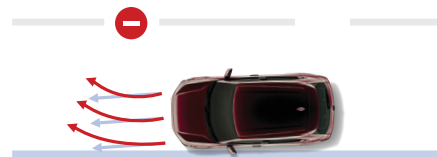

Traffic Sign Recognition System[^]

Reminds you of the current speed limit your vehicle has just passed through by showing it on the driver display.

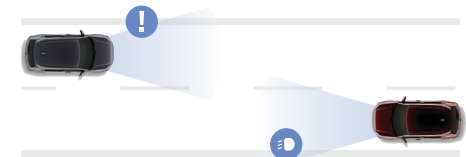

Adaptive Cruise Control (ACC) with Low Speed Follow (LSF)

Helps maintain a constant vehicle speed and a set following interval behind a vehicle detected ahead of yours and, if the detected vehicle comes to a stop, can decelerate and stop your vehicle.

Road Departure Mitigation System (RDM)

Alerts and assists you when the system detects a possibility of your vehicle unintentionally crossing over detected lane markings or approaching the outer edge of the road surface or a detected oncoming vehicle.

High-Beam Support System (HBSS)

Automatically changes your headlights from low to high on a clear road, and then back to low beam when an oncoming vehicle is detected.

⁺Honda SENSING technologies are driver-assist technologies and should not be used in place of safe driving practices. Drivers should continue to monitor the road at all times. The accuracy and operation of Honda SENSING technologies may vary based on weather, speed, traffic, road conditions, markings and other factors. Refer to the owner's manual for specific function and limitations. Images used for illustration purposes only. [^]TSR is designed to detect signs that follow the Vienna Convention standards. Not all signs may be displayed, but any signs posted on roadsides should not be ignored.

Safe, sound and joyful.

The Honda ZR-V's array of active safety features work tirelessly to safeguard you behind the wheel and help you enjoy more worry-free journeys.

SRS Airbags

The Honda ZR-V stands out amongst its peers with SRS airbags across the front, knee, front-centre, side and rear side as well as full-length curtain airbags to help keep you safe.

Front and Rear Parking Sensors

Helpful sensors that let you know how much space exists between you and an object. These sensors work with Low-Speed Braking Control (LSBC) to help avoid bumps and dents.

Driver Attention Monitor (DAM)

Monitors your level of fatigue and warns you if it detects that you're too tired behind the wheel.

Remote Climate Control

How great is stepping into a heated car on a chilly day? With remote climate control, you can prepare your Honda in advance by remotely setting your ambient temperature on your Honda Connect smartphone app to keep you and your passengers comfortable as soon as you step inside.

Remote Lock/Unlock

Worried you forgot to lock up? Does a passenger need access, but they don't have a key? With Honda Connect you can remotely lock or unlock your Honda with a simple tap on your smartphone.

Remote Lights On/Off

Never lose your car in a parking lot! With Honda Connect, you can remotely interact with your vehicle and locate your car by flashing your headlights and taillights until you find your Honda.

Automatic Collision Detection

In the event of airbag deployment, a notification will get sent promptly to the device logged into Honda Connect. The app will also alert a Honda Connect Customer Care agent, who will call the Honda Connect user, and dispatch emergency services to the location if there's no response.

[^]Some Honda Connect app features are only available if your vehicle is linked to your Honda Connect account and connected services are activated. Remote vehicle features vary by model and not all vehicles will have all features. For full terms and conditions please visit honda.com.au/buy/honda-connect/honda-connect-terms-and-conditions.

5 Low Price
Services~

5 Year Unlimited
KM Warranty[†]

Plus, 5-year Honda Connect^{DS2} subscription.

[~]The estimated driveaway price is based on the State/Territory. It includes metallic/pearlescent paint (where applicable), 12 months registration, 12 months compulsory third party insurance (CTP), a recommended Honda Centre delivery charge, stamp duty and administration charges, but excludes any reduction as a result of concession entitlements. An additional Cross Border Delivery fee and any resulting additional government charges will apply if you choose a vehicle with a specific colour and grade or an accessory that has to be delivered from another State or Territory. We recommend confirming pricing with your Honda Centre. Honda Australia may change vehicle pricing at any time. †5 year unlimited kilometre warranty available on all vehicles except those used for a Commercial Purpose, where a 5-year/140,000 kilometre (whichever occurs first) warranty is applicable. "Commercial Purpose" means the purpose of carrying passengers or goods in the course of business or trade, and includes, without limitation, a vehicle being used at any time, as a taxi, or for hire, rental, delivery, courier, ride sharing, driving school, tourist or security purposes. -Five Low Price Services applies to new Honda vehicles only. Ex-Demonstrator or ex-service vehicles receive three low price services. To find out more about what's included refer to our Owner's Warrant and Service Manual. Visit [Honda.com.au](https://www.honda.com.au) for T&Cs. ⁰⁵² Some Honda Connect app features are only available if your vehicle is linked to your Honda Connect account and connected services are activated. Remote vehicle features vary by model and not all vehicles will have all features.
