

100% hybrid. 100% iconic.

CIVIC

For the driven.

Icons don't stand still. They move with the times. The Honda Civic has redefined the way Australians drive for over 50 years, and its journey is far from over. Today, it's not just powering down the highway, but also charging a hybrid system—one that's available across the range.

Sleek, sporty and with enough torque to turn heads, the Civic pushes the boundaries of performance and power with an impressive 315Nm of torque. Experience a new level of convenience with next-gen Honda Connect^{D52} and Google built-in,^{D93} where your favourite apps* are displayed directly on the dashboard. And don't forget, a range of clever safety features with Honda SENSING^{®D30}.

D52 Vehicle is Honda Connect enabled. Honda Connect features are only available if your vehicle is linked to your Honda Connect account and connected services are activated. D93 Google, Android, Google Play, Google Maps and other marks are trademarks of Google LLC. D30 Honda SENSING[®] is driver-assist technology. Drivers must continue to drive safe and monitor the road and not rely on technology. Accuracy and operation of Honda SENSING[®] may vary based on weather, speed, traffic, road conditions, markings and other factors. Refer to owner's manual. *Available for apps with Google built-in compatibility.

Go beyond ordinary.

Reignite your passion for getting behind the wheel with distinctive features and refined touches that elevate every drive.

Panoramic Sunroof*

Turn every journey into an open-air adventure with a panoramic sunroof that spans from the front to the back seats, bringing sunlight and sweeping sky views to everyone in the cabin.

Black Leather-Appointed Seats*^{D5}

Indulge in sophistication that blends comfort and style, crafted for the discerning driver who values a touch of luxury.

Heated Front Seats and Heated Steering Wheel

Conquer chilly mornings with heated seats and steering that keep you warm from the moment you set off.

Minimalist Interior with Refined Finishes

Sleek design and sophisticated textures come together to create a timeless interior.

Blind Spot Information System (BSI) and Rear Cross Traffic Alert (RCTA)

By detecting nearby vehicles, the Blind Spot Information (BSI) System and Rear Cross Traffic Alert (RCTA) help you to merge and reverse safely, providing audio and visual cues when needed.

18" Alloys

Add a little more joy to every drive with a distinctive slimline design that amplifies your presence on the road.

11 SRS Airbags

Front i-SRS airbags inflate at different rates based off severity, seatbelt use, and other factors. The Civic also features rear, side, centre, knee and full-length curtain airbags as standard.

Auto-Dimming Rear View Mirror*

When driving in the dark, the auto-dimming rear view mirror reduces glare from headlights behind you to help keep you focused.

*Only available on e:HEV LX. D5 Leather-appointed means (1) some parts of the seats may contain non-leather materials and (2) some seats may contain no leather material.

Performance with efficiency. Discover hybrid.

The Civic's intelligent hybrid system combines multiple drive modes for a smoother and more responsive ride.

Instant Torque and Faster Acceleration

Honda's hybrid system delivers a fast, responsive and exhilarating driving experience.

Regenerative Braking

Uses energy generated by the electric motor when braking to recharge the battery.

Fuel Efficient Driving

Reduce fuel consumption in stop-start traffic by sharing the load with electric motors.

Electric Drive

Delivers instant acceleration from a standing start using the energy stored in the battery.

Hybrid Drive

Where the petrol engine and electric motors work together to provide a seamless driving experience.

Engine Drive

Uses the petrol engine to help maintain higher speeds while charging the battery at the same time.

Just say, 'Hey Google'.

Google built-in^{D93}

Get hands-free help from Google Assistant, receive real-time navigation with Google Maps, and download your favourite apps* on Google Play.

Get hands-free help

With Google Assistant, you can use your voice to make calls, set reminders and change the cabin temperature. You can even control compatible smart home devices from your Honda.

Navigation made easy

Google Maps gives you real-time navigation updates that can be displayed directly on the dash behind the wheel. Enjoy automatic rerouting, save your favourite addresses and get live estimates on your arrival time.

Control your favourite apps*

Spotify, YouTube Music,TM Audible and more. Download dozens of your favourite apps* on Google Play and experience seamless integration with your Honda.

Intuitive Technology.

12 Speaker Bose®^{D41} Premium Sound System with Subwoofer

Feel every beat with the immersive 12 speaker Bose®^{D41} premium sound system. Hear your music the way it was meant to be heard—from the front row.

10.2" Driver Information Interface

Every drive, tailored to you. The dynamic Driver Information Interface displays everything you need to know in real time, from vehicle speed to whatever song is playing.

Shift-By-Wire

Control your Civic effortlessly by operating the transmission with the touch of a button. Shift-By-Wire frees up cabin space by removing the traditional gear lever, creating an open ambience between the front seats.

Android Auto™^{D2} and Wireless Apple CarPlay™^{D1}

Android™ or iPhone® users can seamlessly integrate their devices to the Civic's touchscreen display. Get directions, make calls, send and receive messages, listen to music and even interact with some of your favourite apps, all while staying focused on the road.

Wireless Charging™^{D75*}

Easily power up your smartphone by placing it on the wireless charging pad. Keep your space organised and your device ready for action without the clutter of cables.

Honda Connect.^{D52}

Honda
CONNECT

Stay connected to your Civic with next-gen tech and safety features that elevate every drive.

Remote Climate Control

Get the cabin ready in advance with Remote Climate Control. Set your ideal temperature through the Honda Connect^{D52} app, so you and your passengers can stay comfortable from the moment you step inside.

Automatic Collision Detection^{D65}

If airbags are deployed, a notification is sent promptly to the device logged into Honda Connect.^{D52} The app also alerts a Honda Customer Care agent, who will call the user and dispatch emergency services to the location if there's no response.

Remote Lock/Unlock

Worried you forgot to lock up? Does a passenger need access, but they don't have a key? With Honda Connect^{D52}, you can remotely lock or unlock your Honda with a simple tap on your smartphone.

Remote Engine Start

Start your Honda remotely and get the cabin ready in advance. Once the engine fires up, the automatic climate control system kicks in via the Honda Connect^{D52} app.

Location Finder

Never lose track of where your Civic is parked. Pinpoint mapping lets you see exactly where your Honda is at any moment, directly from the app.

Scan to learn more about Honda Connect.

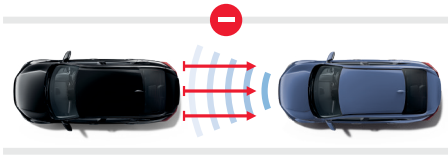

*Only available on e:HEV LX grade. D41 Bose is a registered trademark of Bose Corporation. D2 Google, Android and Android Auto™ are trademarks of Google LLC. To use Android Auto™ on your car display, you'll need an Android phone running Android 5.0 or higher, an active data plan, and the Android Auto™ app. D1 Apple CarPlay, iPhone and Siri are trademarks of Apple Inc. Check the compatibility of your device with your device manufacturer. D52 Vehicle is Honda Connect enabled. Honda Connect features are only available if your vehicle is linked to your Honda Connect account and connected services are activated. D65 Automatic collision detection is unavailable where there is no telecommunications network coverage, and may be unavailable during system maintenance or unplanned interruptions. This feature should not be relied on in the event of an emergency.

D30 Honda SENSING® is driver-assist technology. Drivers must continue to drive safe and monitor the road and not rely on technology. Accuracy and operation of Honda SENSING® may vary based on weather, speed, traffic, road conditions, markings and other factors. Refer to owner's manual.

Honda SENSING.^{®D30}

Honda
SENSING

Collision Mitigation Braking System (CMBS)

CMBS is designed to alert you when a potential front collision is determined, as well as reduce your vehicle speed to help minimise collision severity when a collision is deemed unavoidable.

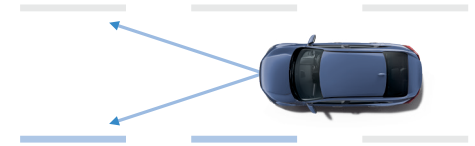

Lane Departure Warning (LDW)

Detects unintentional lane drift, providing visual and audible alerts to help you stay safely within your lane.

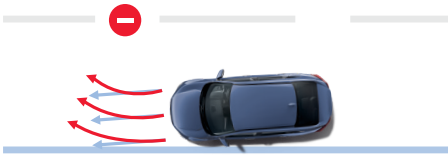

Lane Keep Assist System (LKAS)

Provides steering input to help keep the vehicle in the middle of a detected lane and provides audible and visual alerts if the vehicle is detected drifting out of its lane.

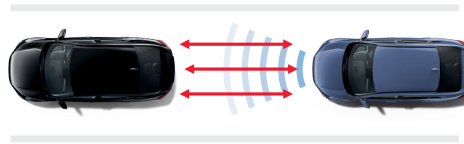

Traffic Jam Assist (TJA)

Works in conjunction with the Lane Keep Assist System (LKAS) to apply steering torque, keeping your vehicle centred in lane during heavy traffic.

Road Departure Mitigation System (RDM)

Alerts and helps to assist you when the system detects a possibility of your vehicle unintentionally crossing over detected lane markings or approaching the outer edge of the road surface or a detected oncoming vehicle.

Adaptive Cruise Control (ACC) with Low Speed Follow (LSF)

Helps maintain a constant vehicle speed and a set following interval behind a detected vehicle ahead of yours. If the detected vehicle comes to a stop, it can decelerate and stop your vehicle.

Traffic Sign Recognition System (TSR)

Reminds you of certain road sign information such as the current speed limit your vehicle has just passed through, showing it on the gauge.

High Beam Support System (HBSS)

Automatically changes your headlights from low to high on a clear road, and then back to low beam when an oncoming vehicle is detected.

Plus, 3-year Honda Connect®D52 subscription.

†5 year unlimited kilometre warranty available on all vehicles except those used for a Commercial Purpose, where a 5-year/140,000 kilometre (whichever occurs first) warranty is applicable. "Commercial Purpose" means the purpose of carrying passengers or goods in the course of business or trade, and includes, without limitation, a vehicle being used at any time, as a taxi, or for hire, rental, delivery, courier, ride sharing, driving school, tourist or security purposes. ~Five Low Price Services applies to new Honda vehicles only. Ex-Demonstrator or ex-service vehicles please speak to your Honda Centre. To find out more about what's included refer to your Owner's Warranty and Service Manual. Visit [Honda.com.au](https://www.honda.com.au) for T&Cs. D52 Some Honda Connect app features are only available if your vehicle is linked to your Honda Connect account and connected services are activated. Remote vehicle features vary by model and not all vehicles will have all features.*The estimated driveaway price is based on the State/Territory. It includes metallic/pearlescent paint (where applicable), 12 months registration, 12 months compulsory third party insurance (CTP), a recommended Honda Centre delivery charge, stamp duty and administration charges, but excludes any reduction as a result of concession entitlements. An additional Cross Border Delivery fee and any resulting additional government charges will apply if you choose a vehicle with a specific colour and grade or an accessory that has to be delivered from another State or Territory. We recommend confirming pricing with your Honda Centre. Honda Australia may change vehicle pricing at any time.

Honda Finance made easy.

At Honda, we believe getting auto finance pre-approval shouldn't require a complicated process, or only be available at Honda Centres. That's why we've made it easy.

With Honda Finance, now you can get your pre-approval online in just 4 steps.^{‡^}

No paperwork and no impact on your credit score. Nice and simple.
