SHAKE UP THE HIVE

6 YEAR WARRANTY

With plenty of power wrapped in an edgy design, the CB750 Hornet is a bold representation of the streetfighter ethos.

Anticipation. Excitement. Adrenaline. The CB750 Hornet is built for riders who chase the feeling, not the destination. Delivering the kind of riding experience that leaves you energised, engaged and already planning your next thrill.

High Performance

Featuring a 755cc parallel twin-cylinder engine that delivers impressive power in a compact design. Lightweight and weighs only 16.5kg and has the right amount of stiffness for optimal ride feel.

Performance and Advanced Features

Clutch-free or classic. Choose your ride. Enjoy the freedom to switch between E-Clutch and full manual control whenever you choose. Integrated with an advanced Throttle By Wire (TBW) system, it delivers precise engine response and smooth performance.

Five Selectable Riding Modes

Advanced Throttle by Wire (TBW) system offer multiple riding modes. Choose from Sport, Standard, Rain and two User Modes for the road ahead.

Advanced Features

Adjustable power delivery, Wheelie control and Honda Selectable Torque Control (HSTC)[D7]

Premium Technology

Featuring intuitive tech such 5inch TFT screen and Honda RoadSync[D5] so you can enjoy on-screen navigation, music and more.

Enhanced Technology

Assist/slipper clutch, diamond frame, 196kg kerb weight and Showa® 41mm Separate Function Fork Big Piston (SFF-BP) suspension.

Styling that stands out from the swarm

The CB750 Hornet's signature streetfighter styling has evolved with a sharper, more modern edge. A redesigned dual-LED headlight enhances its bold road presence, ensuring it looks as exciting as it feels to ride. 2026 E-Clutch models also feature a factory fitted undercowl for the iconic hornet styling.

Images are for illustrative purposes only and may show optional accessories available at additional cost. See your Honda Dealer for details. [D5] In order to use Honda RoadSync a connection is required with a Bluetooth® headset (sold separately) see owner's manual for Bluetooth headset requirements. Wireless Headsets can only be used in conjunction with the road rules of your state or territory. Please refrain from operating a smartphone while riding. A dedicated application need to be installed to a smartphone to use the Honda RoadSync. Minimum iOS requirement 15.0 or later. [D7] The HSTC is not meant to eliminate slipping. The HSTC is an auxiliary system to assist the rider for accelerator operations. Therefore, the same as for vehicles without the HSTC, safe riding practices are required, as even vehicles with the HSTC cannot handle unreasonable operations. Please refrain from sudden acceleration operations and ride safely. Honda Australia Motorcycle and Power Equipment Pty. Ltd. Level 4 6 Gladstone Street, Moonee Ponds, Victoria 3039.
