

FOR ALL THE HARD YARDS

Tough conditions need a tougher bike. Honda's XR190CT is ready for whatever the farm throws at it.

The Honda XR190CT is the ultimate two-wheeled farm workhorse, built for durability, reliability, and all-day practicality. Powered by a reliable 184cc fuel-injected engine, it delivers smooth, consistent performance suited to a variety of farm conditions. Designed for the demands of farm life, it features electric and backup kick start, dual side stands, generous carry racks, lever guards, and enhanced mud protection including an integrated headlight. With a rugged build and a multi-function digital display, this workhouse is ready to go.

Convenient Front and Rear Rack

A true workhorse with a heavy-duty rear carry rack (max 20kg). The convenient front rack offers ample storage for a range of essential tools and equipment to come along for the ride.

Off-Road Tyres and Large Front Mudguard

The 21" front & 18" rear off-road tyres deliver plenty of grip when riding on the farm. A large front mud guard with additional mud flap for extra protection helps prevent mud from accumulating on the engine.

High and Low Beam Headlight

The powerful LED headlight, with high and low beam settings ensures you get safe riding at night or during low visibility days.

Redesigned Style

The XR190CT features a fresh and redesigned style that helps protect the rider's feet from rocks and other hazards in the paddock.
